## **Description of the Program:**

In order to contribute to Skill enhancement of the students, a workshop on the topic “**Mind Lecture Program**” is organised in our campus premises by the department of Human Resource development cell and International Youth Fellowship (IYF), South Korea.

The workshop was felicitated by the Principal followed by the speech given by **Mr. Lee Dae Hyun, Mind Education Expert, International Mind Education Institute, South Korea.** The Mind lecture program started with videos demonstrating the impacts of addiction by drugs and unwanted social elements on the young people mind. Further workshop showcased the remedial solutions to train and enhance the mind of the young people. The session also changed student’s perspective on thinking and motivated them towards positive thinking.
